“Fish Tales” Editor Comments

July has been a very warm busy month. Streams have been up and down. Members have been out catching some fish. John Stefko has caught some giant yellows from Chautauqua Lake. Gary Bacon has had luck at the Catt and small lakes. Gary goes out most weeks, he welcomes members to join him. Send him your e-mail address and he will add you to the call list. The LEC picnic is only a few days away. Try your luck to cast more than Marks 70 foot winning cast last year. It's a good time with good people. The new LEC promo items are in and will be for sale at the picnic and at every meeting. We have many members that do not come to meetings, help promote your club by purchasing & displaying some of these new items. Rich

Rick Widman invited youth's from Kid's Day and Boy Scouts to Fish at Darien Lake State Park with hot dog's, assorted snacks and desserts to enjoy. A good turn out of club members with family members showed up to help as needed. Two youths came early and left before we arrived. One other did come with his Dad, they enjoyed the fishing and food. Rick put a lot of effort into this event. A good time was had by all that did show up. Those that were invited and did not show miss a very nice evening. Thank you Rick for all your efforts .
